

ENGEL Used Machinery

IN 330V/100

Technical details

Series	insert	Injection unit type	Vertical	Type of construction	tiebar-less
Machine type	IN 330V/100	Injection unit	330	Clamping force	1000 kN
Drive	hydraulic	Injection material	Thermoplastics	Rotary table diameter	1200 mm
Year of manufacture	2012	Screw diameter	30 mm		
Safety Standard	CE	max. injection capacity	113 cm ³		
Location	AT				
Availability	shortly
